Download Ref No: NSE/INSP/55042	Date: December 29, 2022
Circular Ref. No: 94/2022	

To All Members,

Sub: Introduction of new functionality for submission of data with respect to Onsite/Offsite inspection and Enforcement through ENIT.

Exchange undertakes onsite/offsite inspection of books of accounts, other records and documents of the Trading Members for any of the purposes specified in its regulations. The data/ clarifications from the members are currently being sought through emails/FTP during the course of onsite/offsite inspection as well as post Inspection by Enforcement Department.

In our continuous endeavor to deliver superior customer experience, we are pleased to announce the release of “Inspection Data Communication” module on ENIT for submission of data/ clarifications to the Exchange with respect to onsite/offsite inspection and Enforcement. The members would be able to access the said module through: ENIT>My Inspection> Inspection Data Communication.

Key features of the module are as follow:

- Members can view all the queries/ data requirements for each onsite/offsite inspection and Enforcement under a unique case id on the module and submit their response against respective query.
- Members shall receive a mail intimation for each new query/ data requirement.
- Members can track their previous submissions to the Exchange queries along with timelines.
- Navigation made easy and simple.

Detailed process manual on the operations of above module is enclosed as **Annexure 1** for reference.

Members may kindly note that all queries/ data requirements related to onsite/offsite inspections commenced with effect from **February 15, 2023** shall be communicated through “Inspection Data Communication” and members are advised to submit relevant data/clarifications through said ENIT module only.
